Q&A:

Vice Chair Burroughs asks: “How is the project labor agreement coming?”

Mr. Shawn MATlock responds: “They’ve executed a project labor agreement between MCN and the unions, collectively. It’s one of the largest and comprehensive PLA’s that’s been executed. There was no three party exception. As long as it’s one bid, we have to consider the union bid. It’s now enforced and they’re using it to hire all of their subcontractors for the project.

Public Comments:

Brittney Bennett stated, “There was one public comment from PG County Board Member Pamela Boozer-Strother who is not in attendance at the meeting. With that, I will hand it back to Superintendent House.”
