Cooper Lane ES will continue to provide students with access to culturally relevant field trips, assemblies, extended learning opportunities, and after-school enrichment programs that support academic growth and cultural awareness.

Collaborative Leadership, Shared Power, and Voice

Cooper Lane ES's goal is to increase opportunities for parent and student participation in school meetings to ensure their voices are included in the decision-making process.

Cooper Lane ES will work to increase engagement by inviting more parents and students to participate in meetings, ensuring their input informs key decisions and promotes a shared sense of ownership in the school community.

Integrated Systems of Support

Cooper Lane ES will continue to identify and provide access to community-based and educational resources that support the academic success and overall well-being of students and their families.

Culture of Belonging, Safety, and Care

Cooper Lane ES will continue to foster a welcoming environment for parents by providing safe spaces for open communication. The school will also maintain its commitment to monthly family engagement activities and parent workshops that support collaboration and strengthen the home-school connection.

Powerful Student and Family Engagement

Cooper Lane ES will continue to strengthen its school culture and climate through supportive groups and workshops that provide students and families with safe, structured opportunities to express themselves in positive and constructive ways.
