What did we learn?

Student Feedback

- Students are generally aware of extended learning opportunities (e.g., field trips, enrichment programs).
- Some awareness exists of physical, mental health, and food-related support services.
- Most Students recognize that support services are available to them.
- Some students are beginning to open up and build trust with partners, such as mental health providers.

Family Feedback

- Families feel the school offers learning opportunities that engage students actively.
- Families are generally aware of the PTA's role in the school and its partnership with staff.
- Many families are unaware of available support services (e.g., mental health, food assistance).
- Most families report being aware of support services related to belonging and care.
- Prefer in-person communication and engagement with the school.

Staff Feedback

- Most staff are aware of the PTA and its collaborative work with school teams (e.g., PEA, PBIS).
- Staff believe student and family support services exist but recognize gaps in access and communication

Community Feedback

- No community partner feedback was collected (0 participants).

	Priorities and Opportunities
Rigorous, Community-Connected Classroom Instruction and Expanded, Enriched Learning Opportunities	• Improve coordination among services to avoid duplication • Expand wraparound supports (housing, food, legal aid) • Increase visibility and accessibility of available services to families
Collaborative Leadership, Shared Power, and Voice	• Increase student and parent voice in school governance • Formalize leadership roles for families and students • Offer leadership development opportunities (e.g., workshops, training)
Integrated Systems of Support	• Improve coordination among services to avoid duplication • Expand wraparound supports (housing, food, legal aid) • Increase visibility and accessibility of available services to families
Culture of Belonging, Safety, and Care	• Enhance anti-bullying initiatives and peer mentoring • Provide ongoing trauma-informed care training for staff • Create consistent student feedback systems around school climate
Powerful Student and Family Engagement	• Foster trust through home visits and designated parent liaisons • Develop ongoing, responsive workshops (e.g., tech help, academic support) • Create more culturally relevant and accessible family engagement events
