Priorities and Opportunities

Rigorous,
Community-Connected
Classroom Instruction and
Expanded, Enriched Learning
Opportunities

Students reported a desire to increase school field trips, summer programming, mentoring, and sporting programs. The school desires to offer a variety of student enrichment and extended learning throughout the school year to avoid competing programs.

Collaborative Leadership,
Shared Power, and Voice

The school prioritizes utilizing various methods to collect data such as surveys and invite partners, parents, and students to decision making meetings.

Integrated Systems
of Support

A majority of families indicated that they could easily access and navigate supports offered by the school.
Families highlighted various extended learning opportunities and mental health supports offered at the school.

Culture of Belonging,
Safety, and Care

Stakeholders hold positive perceptions of the climate and culture at J Frank Dent ES.

Powerful Student and
Family Engagement

The data indicates that 59.1% of families felt that their scholar could talk with a trusted adult at the school and be open and honest about their feelings.
