What did we learn?

Student Feedback

-Many can always or sometimes get help with academics (85%) and behavior (62%), but fewer report easy access for emotional support (59%) or health/dental care (36%)
 -strong academic and basic needs support systems, good climate, and accessible information, but mental health support and deeper family engagement may need strengthening

Family Feedback

-Very small sample — limits generalization of results and summary

Staff Feedback

-Staff believes there are strong systems in place to flag students with Academics, Attendance, Behavior, Mental health
 -.Staff see strong academic and attendance support systems, but mental health services as an area needing more capacity.
 -They report many unmet student and family needs — far more than students or families themselves reported — suggesting possible awareness or communication gaps.

Priorities and Opportunities

Rigorous, Community-Connected Classroom Instruction and Expanded, Enriched Learning Opportunities

-NOMS is a school-wide AVID program, elevating academic performance, fostering skills like organization, inquiry, and engagement
-Junior Achievement® Finance Park: A hands-on financial literacy program that connects classroom learning to real-world financial decision-making
 -School-Wide, Grade Level, and Team Field trips to Museums, Performing Arts, Broadway, Main Event

Collaborative Leadership, Shared Power, and Voice

-Soaring Falcons Program is for all Professional and Educational Development Opportunities for both students and Staff. NOMS staff will be participating in either half day and/or Full Day Long Range Planning quarterly, attending Conferences such as IEL and AVID that will provide invaluable opportunities for learning new skills, meet other professionals in the field, and extend their knowledge, 2nd Assignment and Workshop opportunities
