The images in the PGCPS logo represent learning (the open book) and graduation (our goal for all students). The colors and fonts of the logo are the primary branding colors listed in this style guide. The logo should appear on all publications and presentations using one of the official versions below.

You can download logo files by visiting the [resources](#) page of the PGCPS Newsroom online.
*Stacked logos may be in either full color, all black, or all white
The book and graduate art in the logo can also be used without the PGCPS portion as long as the text "Prince George's County Public Schools | www.pgcps.org" is placed to the right of it as shown below:
