

**Middle School Math Small Group Tutoring  
Now Available for Math 6 Students**

**FREE Online Tutoring**

**Registration begins December 5th!**

We are excited that your district has partnered with us to provide your students with live online **high-dosage tutoring**. All at no cost to families!

During the ten-week program, students, working in groups of up to four, will participate in two 30-minute sessions each week. With the support of a Carnegie Learning tutor, students will receive additional instruction in their current course content standards to help them succeed in math and feel more confident about their work.

**Available Sessions**

Sessions are 10 weeks: January 9th - March 16th

**Level:** Math 6 Small Group

**Grade:** 6th

**Frequency:** Mondays & Wednesdays **or** Tuesdays & Thursdays for 30 minutes

**Session Times:** between 4 PM and 7 PM

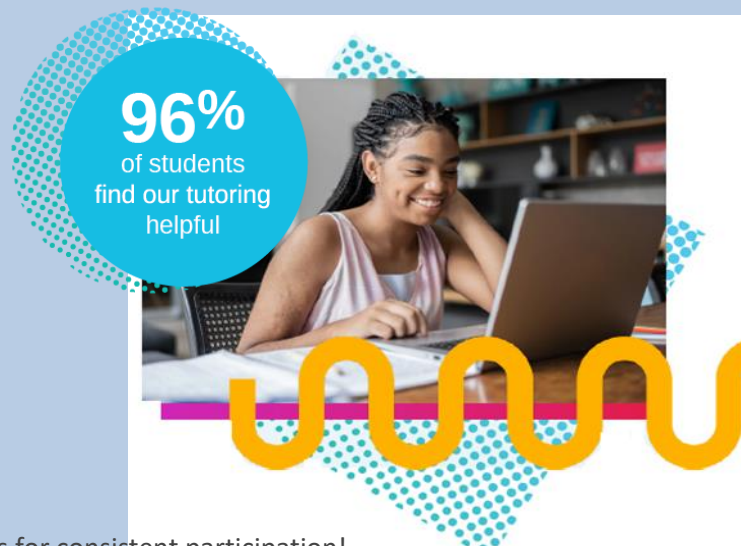

**Dates:** Jan. 9 – March 16
