## October 2025

### Subjects at a

Hello families! This month we are learning many new things.

**Reading:** Story Elements

**Math:** 2D Shapes

**Science :** Parts of Plants

**Social Studies :**

Environments, Locations, and Maps

### Reading

- In Reading, we are practicing making connections, drawing inferences, and learning how to talk about story elements such as characters, setting, problem, and solution.

### Math

- In Math, students are working on **Unit 2: Two-Dimensional Shapes and Their Attributes** . They are learning to identify shapes such as squares, circles, triangles, and rectangles, and describe their features like sides and corners.

### Important Dates

October 2nd: Yom Kippur\*  
(starts at sunset 10/1)-  
**Schools and Offices Closed**

October 17th: Professional  
Development - **Schools Closed**  
for Students

October 31st: End of First  
Quarter (45 days)Grading &  
Reporting Day Q1 for Teachers  
**Early Dismissal for Students**

### Science

- In Science, students are learning about plants. They will identify different types of plants, label their parts, and discuss how each part helps the plant grow and survive. the natural world around them.

### Social Studies

- This month in Social Studies, we are exploring environments, location, and maps. Students will discover how people adapt to and change their environment, practice using location words.
