- Students should be in full uniform daily. Please let your child's teacher know if your child is in need of a uniform.
- If you have not already completed the yellow Student Emergency Contact form, please submit it by Friday, September 5.
- Please check your child's red folder for important information and student work.
- Please check Class Dojo frequently for messages, class notices, updated, reminders, and pictures.

## September Learning at a Glance

RELA	Math	Science	Social Studies
Students will learn about citizenship through exploring multiple texts. Using text students will identify the central idea, point of view, and the skill of visualizing.	A collection of objects can be put into equal groups of 2s, 5s, and 10s. Coins come in denominations of 1¢ (penny), 5¢ (nickel), 10¢ (dime), and 25¢ (quarter).	Landforms and bodies of water that cover Earth's surface. They learn that maps are models of these features and discover that there are relationships between land and water that can be shown in maps.	Geographic tools can be used in order to identify locations, describe places in the world, and explain the movement of people, goods, and ideas.
