❖ Portable Electronic Devices (PEDs)

PGCPS values the use of technology as an important tool to enhance the educational environment and encourage student innovation. Students are allowed to possess a portable electronic device (PED) while on school property, school buses, and during field trips and other school sponsored events. However, it is a violation of the PGCPS Code of Student Conduct to use such devices in a manner that will disrupt the school environment or impact the safe operation of the school bus. If permitted by school administrators, students may use PEDs during the school day for instructional purposes, and at other times approved by the principal/designee. When students do not have permission to use PEDs, the devices must be turned off and be stored in the student's pocket, backpack, purse, locker or vehicle. If a student uses the PED without permission, or refuses to comply with a reasonable request by authorized school personnel, including school bus drivers, to turn off or store PEDs, the student will be referred to the school principal for an appropriate response. In limited, emergency circumstances, principals may confiscate PEDs until the student's parent/guardian comes to the school to retrieve it. ([Guidelines for the acceptable use of PEDs are continued in Administrative Procedure 5132.](#))

conference about minor infractions. A color coded system is used for students to self monitor their behavior in the classroom, with blue being the highest level of positive behavior and red being the lowest or negative behavior. Inappropriate behavior on the school bus or at the bus stop will result in verbal or written warnings followed by bus and/or school suspension.

Each grade level teacher will provide parents with a school supply list in August and January of each school year. All supplies should be labeled with your child's name on them. Each child should have paper and pencil daily.

❖ Tardiness

Children who arrive after 8:15 a.m. are marked tardy. If later arrival is due to a delayed bus, students will not be marked tardy. Tardy students must secure a pass from the office before going to class. Chronic tardiness will require parents to participate in a mandatory School Instructional Team Meeting to create a plan for improvement.
